**Description:**

Abigail Stevens is part owner of Kingson Steel, but she lets her older sister take care of business while she hides in the darkness. Nine years ago Abigail lost her sight when fever struck, and she's given up on leading a normal life. Then her nine-year-old neighbor sneaks across the street to see Abigail's flowers and her father soon follows. Because of the lesson in Abigail's Poinsettias, Abigail and Seth learn to see beyond the darkness of their lives and in the process find love to last a lifetime.
