From the Publisher Who We Are

At Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large.

What We Do

- * We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages.
- * We are relentless in finding the special, the unique and the different for travellers wherever they are.
- * When we update our guidebooks, we check every listing, in person, every time.
- * We always offer the trusted filter for those who are curious, open minded and independent.
- * We challenge our growing community of travelers; leading debate and discussion about travel and the world.
- * We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive.

What We Believe

We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world. --This text refers to an out of print or unavailable edition of this title.
