**Description:**

**From School Library Journal** Grade 5-8AWhen Dylan accompanies his father to a meeting of the Bigfoot International society, he's sure that it's just another of Dad's odd hobbies. Soon after, his father joins the society's sinister leader in an expedition to hunt down a Sasquatch specimen, and Dylan decides to go along. He hooks up with an old hermit who seems to be familiar with the area and the legend. When it appears that someone is following the old man, Dylan begins to suspect that his companion may be hiding a mysterious past. In addition, evidence that the Sasquatch may be more than a legend begins to accumulate and Dylan realizes he must prevent the society from killing them. With an exciting climax set amid a Mount Saint-Helens eruption, this fast-moving, suspenseful story provides lots of action and appeal. AEI Elaine E. Knight, Lincoln Elementary Schools, IL
