Description:

About the Author Kristen Duke is a stay at home mom/photographer/blogger who years ago spent many hours pulling her hair out trying to figure out her camera. She now shares her books, and teaches workshops to enlighten other with the tips she has learned along her photography journey. From 35mm film to developing in the dark room, to her digital darkroom, she loves all things photography, especially watching people "get it" with the simple tools she shares.
