Description:

About the Author One day, on her way home from work as a sales manager, A. M. Hargrove, realized her life was on fast forward and if she didn't do something soon, it would quickly be too late to write that work of fiction she had been dreaming of her whole life. So, she rolled down the passenger window of her fabulous (not) company car and tossed out her leather briefcase. Luckily,

the pedestrian in the direct line of fire was a dodgeball pro and had über quick reflexes enabling him to avoid getting bashed in the head. Feeling a tad guilty about the near miss, A. M. made a speedy turn down a deserted side street before tossing her crummy, outdated piece-of-you-know-what lap top out the window. She breathed a liberating sigh of relief, picked up her cell phone and hit #4 on her speed dial. Boss: Hello A.M.: Boss, is that you? Boss: Why yes, A. M., who else would be answering my phone? A.M.: Er... right. Well, I'm calling to let you know you can pick up my luxury Ford Focus at Starbucks near the interstate. Boss: Why ever would I want to do that? A.M.: Because I quit! A.M. hit the end button and speed dialed her husband. A.M.: Hi hubs, can you pick me up at Starbucks? Hubs: Sure... Having some car trouble? A.M.: Not at all. I don't have a car to have trouble with because I just quit my job. Hubs: WHAT?! A.M.: It's time for a new career and I am going to be a very famous novelist. So began A. M. Hargrove's career as a young adult paranormal romance author of self-published ebooks. Her series, The Guardians of Vesturon, centers around a family of six siblings and is a mix of humor, mystery, suspense and of course, love. Survival, Resurrection and Determinant are her first and second and third full length novels in the series and Beginnings is the prequel novella. (It didn't happen exactly like that, but you get the idea!)
