#### Description:

“Prepare yourself for a guided tour through the most incredible scientific mysteries of the world”

More than two million people have seen David Wilcock's incredible tour of the 2012 prophecies in his Internet documentary, *The 2012 Enigma.*, and his appearance on the History Channel show *Ancient Aliens* has been memorable. Now, he expands his vision with a cutting-edge investigation into alternative sciences with deep insights into what is coming in our immediate future. A stunning synthesis of hidden science and lost prophecies, *The Source Field Investigations* exposes DNA transformation, wormholes, ancient conspiracies, the Maya calendar, and a new model of galactic energy fields triggering mental, biological, and spiritual evolution. Unlike the apocalyptic viewpoints depicted in big-budget disaster films, Wilcock believes that 2012 will be a watermark for widespread acceptance of a greater reality—and here, he lays out the blueprints for such a Golden Age.
