Description:

The newest edition in the line of Amazon deluxe Star Wars titles — The Jedi Path, Book of Sith, and The Bounty Hunter Code — brings the sinister and yet functional details of the Empire to light in the form of an Imperial handbook.

As the Imperial Empire expands, high-ranking officials from each branch of the Imperial Military have set down tactical guidelines and procedures for all newly ascending commanders. Set in-universe, this compendium of ordinance, mission reports, and Imperial philosophy was intercepted by members of the Rebel Alliance, some of whom also left commentary scribbled in the margins. Housed in a deluxe case that opens with lights and sounds, this never-before-seen Imperial Handbook is perfect

for Star Wars fans—on both sides of the Rebellion.

Explore how service aboard the Death Star differs from service aboard a Destroyer.

Learn what the Empire's standard procedures were for dealing with smugglers.

Discover what long-term Imperial plans the Rebellion thwarted.

Find out what the role of the 501st Legion really was.
